### HOME

Indicates what our team offers.

It contains two buttons: the first one is to file a report and the second is to access resources.

It has 3 sections that provide information depending on the action you want to do, and at the very bottom, it gives a brief description of our organization.

### REPORT

Shows a form so that victims of gender-based violence can report their aggressor. The form asks for specific information which is stored, and when the information is submitted, provides a reference number to check the process of the report.
